

Oregon NSCA Hall of Fame

The Oregon NSCA Hall of Fame program was created to 1) recognize those resident shooters for their outstanding career achievements in the sport and 2) to recognize those individuals that have dedicated years of service in support and advancement of the sport. Candidates must be Oregon residents and NSCA members in good standing at the time of their achievements.

RECOGNITION

Recognition can be either;

1. Achievement Award: Outstanding career shooting achievements such as numerous All-State, All-Region or All-American Team awards, State Championship HOA/Class and/or Concurrent awards.
2. Service Award: Outstanding contributions and service (min.10-years) in the support and advancement of the sport.

HALL OF FAME (HOF) NOMINATION/SELECTION COMMITTEE

The nomination/selection committee will be comprised of the two state delegates and up to five past HOF recipients, for a total of 7 members. Each member will participate in the nomination process to create a slate of potential inductees and then participate in the selection (voting) process for the final inductees for that year. To secure as broad participation as possible, nomination committee members are expected to solicit input from other knowledgeable shooters from Oregon for potential HOF nominations to be considered. Also, the annual HOF process/schedule will be announced on the ORNSCA website inviting input for potential nominees from all Oregon NSCA members in good standing.

NOMINATION PROCESS

Nominations for consideration are to be submitted to the two Delegates by any Oregon NSCA member and/or Nomination Committee member by the date specified. Nominations must be in writing outlining the candidate's achievements in detail for either of the two recognition categories. Specifics as to dates, specific awards, outstanding achievements/service, years of All-Team designation, etc. must be provided. Simply providing a potential candidate's name will not be accepted. All nominations submitted will be reviewed and consideration will be given for a period of three years, after which the nomination will be removed and must be re-submitted for future consideration.

SELECTION/VOTING PROCESS

The delegates shall assemble the list of new nominee names received and those submitted within the past three years and distribute to the HOF Nomination/Selection Committee for voting. Each member comprising the Committee will cast one vote (yes or no) for each potential candidate. Successful candidates must receive a minimum majority vote by the Committee. The Committee can decide if there is consensus to award multiple HOF awards for that year. HOF recipient(s) will be announced at the annual Oregon State Championship Awards Dinner.

NOTE: It must be understood that in some years no candidates will be nominated and/or determined by the HOF Committee to be worthy of the award.

SCHEDULE

Nominations are due in writing to the HOF Committee no later than 60 days prior to the start date of the Oregon State Championships for that year. A schedule for the HOF process will be created for each year.

The final voting by the HOF Committee shall be no later than 30 days prior to the start date of the Oregon State Championships for that year. This will allow adequate advance contact to recipient(s) families for attendance at the awards ceremony and creating the annual awards.

HOF HONORS

The HOF recipients will be honored at the annual Oregon State NSCA Championships dinner ceremony. The ORNSCA website will have a specific section dedicated to the Hall of Fame Members. The nominator's submission materials will be used to summarize the recipient's achievements and a photograph will be asked for submission for the website. HOF inductees will have their names added to the Perpetual HOF Plaque.
